

TANDI C. KUWANA

**MENTAL HEALTH NURSE, Western Australia WOMEN'S HALL OF FAME 2020
"COMMUNITY" INDUCTEE**

Tandi Kuwana was born in Zimbabwe and now calls Perth home where she is regarded as an outstanding member of the African community for her work in the mental health sector.

As a Nurse, with 14 years' experience of working in various mental health settings in WA, she is passionate about the issue and is a strong advocate for better services for communities from CaLD backgrounds.

Within communities, she conducts mental health literacy programs for migrants and refugees, and has worked in partnership with The Smith Family, Palmerston, Ishar, Richmond Wellbeing and Palmerstone.

Tandi was appointed co-chair for the Recovery College Expert Panel by the West Australia Mental Health Commission and sits on the Federal Multicultural Mental Health Framework advisory group.
